

CAREERS Curriculum Map: Year 10

We ensure students receive information from organizations, speakers, workshops, and visits in line with the government's Provider Access Legislation. Students are entitled to two mandatory career encounters in Key Phases 1 (Years 8-9) and 2 (Years 10-11), and two optional encounters in Key Phase 3 (Years 12-13). This legislation supports awareness of apprenticeships and technical education options like T-Levels and Higher Technical Qualifications.

UNIFROG

This platform provides career exploration tools for all year groups, with individual student accounts. It offers resources on workload management, CV writing, and career-related content, including quizzes, tests, and games. Students update profiles with activities like work experience and volunteering, reflecting each term on their learning's relevance to the workplace.

AUTUMN TERM

PEER MENTORING

PM training provides students the opportunity to learn how to support younger students transitioning into Glebe School. This program supports student's personal statements when applying for Further Education and/or work placements

STEM workshop

NEW CHOICES EVENING

Students and their families can meet with various Further Education (FE) and specialist colleges, as well as multiple support professionals and agencies, to speak about FE, career choices and transitional routes available once they leave school.

SPRING TERM

Organise and run charity cake sales

'Personality' quiz on Unifrog

Industry visits with guest speakers

Writing a Personal Statement (OCR Entry Level)

Careers Cross Curricular Day

SUMMER TERM

Looking at how chosen Option subjects can support a chosen career path. For example:

- developing specific skills in the FT and DT industry, working towards accreditation
- how PE Theory can improve self-reflection
- how Drama can help increase self-confidence, ability to speak to a variety of people

Teachers collaborate with the careers team to line lesson content with career pathway choices and FE entry criteria. Integrating CEIAG across the curriculum ensures all students, not just those who actually seek guidance, receive exposure to career information.

Assembly with careers team to gage information on Year 11 activities, WEX and Friday link course

Summer Fete

The Careers Team are always available to offer information and advice
