## Statement of intent

Glebe School is committed to having open and honest communications and ensuring the highest possible standards in integrity, and we will treat whistleblowing as a serious matter.

In line with the school's commitment to openness, probity and accountability, members of staff are encouraged to report concerns. This policy will work to ensure that, if an employee sees or suspects that something is wrong, they will raise this with the school. This is termed as "blowing the whistle" – a phrase that is used throughout this policy and should be viewed as a positive action of speaking up.

This policy seeks to ensure that any person suspecting malpractice knows how to raise concerns and what procedures are in place to deal with the concern.

Where this policy necessitates personal or special category data to be processed, it will be done so in accordance with the school's Data Protection Policy.

## 1. Legal framework

- 1.1. This policy has due regard to all relevant legislation including, but not limited to, the following:
  - Public Interest Disclosure Act 1998
  - Employment Rights Act 1996
- 1.2. This policy has been created with regard to the following guidance documents:
  - ESFA (2020) Academies Financial Handbook 2020
  - GOV.UK (2012) 'Whistleblowing for employees'
  - Sir Robert Francis (2015) 'Freedom to speak up report'
- 1.3. This policy operates in conjunction with the following school policies:
  - Child Protection and Safeguarding Policies
  - Anti-Fraud and Corruption Policy
  - Gifts, Hospitality and Anti-Bribery Policy
  - Disciplinary Policy and Procedure
  - Complaints Procedures Policy
  - Data Protection Policy

## 2. Introduction

- 2.1. The Public Interest Disclosure Act 1998 (PIDA) protects employees who "blow the whistle" where the employee reasonably believes that the disclosure falls within the remit of the prescribed person or body and that the information any allegations are substantially true.
- 2.2. Disclosures made under this procedure will be monitored for statistical purposes as required under the PIDA. The details of any disclosure remain confidential.

- 2.3. The headteacher is the first point of contact for whistleblowing queries. If the allegation is related to the headteacher, issues will be raised with the chair of trustees.
- 2.4. Any member of the school community or general public is able to “blow the whistle”; however, the PIDA only protects employees. [Section 7](#) includes further details on how whistleblowing affects non-employees.

### 3. Definitions

- 3.1. **Whistleblowing:** Whistleblowing is when an employee reports suspected wrongdoing, or ‘qualifying disclosures’, at work to their employer.
- 3.2. **Qualifying disclosures:** As outlined by (PIDA) 1998, qualifying disclosures pertain to when any of the following take place:
  - A criminal offence has been committed, is likely to be committed or is being committed
  - A person has failed, is failing or is likely to fail to comply with any legal obligation to which they are subject
  - A miscarriage of justice has occurred, is occurring or is likely to occur
  - The health or safety of any individual has been, is being or is likely to be endangered
  - The environment has been, is being or is likely to be damaged
  - Information tending to show any matter falling within any of the preceding points has been, is being or is likely to be deliberately concealed
- 3.3. **In the public interests** means that an individual acted outside of their own personal interest – they acted for more than personal gain. It is not necessary for the disclosure to be of interest to the entire public. The following considerations are often used as a test to establish whether something is within the scope of public interest:
  - The number of people in the group whose interests the disclosure served
  - The nature of the interests and the extent by which individuals are affected by the wrongdoing disclosed
  - The nature of the wrongdoing disclosed
  - The identity of the alleged wrongdoer
- 3.4. **Blacklisting** refers to an individual who is being refused work as they are viewed as a whistleblower.
- 3.5. **Grievances** involve someone filing a complaint because they personally have been mistreated in some way – the person making the complaint will have a direct interest in the outcome. It is important to understand the difference between raising a grievance and blowing the whistle.

### 4. Roles and responsibilities:

- 4.1. The board of trustees will be responsible for:

- Establishing and agreeing the whistleblowing procedure.
- Ensuring the agreed whistleblowing procedure is published on the trust's website.
- Monitoring the effectiveness of this policy and undertaking any necessary reviews e.g. in relation to good practice recommendations or changes in legislation.
- Ensuring all members of the school community have access to this policy.
- Investigating, in liaison with the headteacher, any concerns that are raised.
- Ensuring this policy provides an open and transparent framework where members of the school community can raise their concerns.
- Taking the necessary action against members of staff following an investigation into any alleged malpractice.
- Ensuring the minutes of the board include a record of the school's whistleblowing arrangements and who, both internally and externally, staff members should report concerns to.
- Appointing one trustee and one member of staff to act as points of contact for staff members when reporting concerns.

4.2. The headteacher will be responsible for:

- Ensuring all members of staff have read and understood this policy.
- Receiving, investigating and responding to any concerns that have been raised by the school community.
- Being the first point of contact regarding whistleblowing.

4.3. The chair of the board will be responsible for receiving any concerns about the headteacher.

4.4. All members of the trust's community will be responsible for:

- Raising any concerns that meet the definitions of [3.2](#) and [3.3](#) of this policy.
- Being truthful and reasonable with any concerns that they have.
- Not raising malicious or unfounded concerns.

## 5. Scope

5.1. This policy will:

- Give confidence to members of the school community when raising concerns about conduct or practice that is potentially illegal, corrupt, improper, unsafe or unethical, or which amounts to malpractice or is inconsistent with school standards and policies.
- Provide members of school staff with avenues to raise concerns.
- Ensure that members of school staff receive a response to the concerns they have raised and feedback on any action taken.
- Offer assurance that members of staff are protected from reprisals or victimisation for whistleblowing action undertaken in good faith and within the meaning of the PIDA.

- 5.2. This policy will not be confused with the procedure on dealing with harassment at work or the school's Grievance and Disciplinary Procedures.
- 5.3. Under this policy, any of the following can raise a concern:
- Employees of the school
  - Voluntary workers working with the school
  - A trainee, such as a student teacher
  - An agency worker

## 6. Harassment and victimisation of staff

- 6.1. The school recognises that the decision to report a concern can be a difficult one to take, not least because of the fear of reprisal from those responsible for the malpractice or from the school as a whole; however, the school will not tolerate any such harassment or victimisation and will take appropriate action to protect staff who raise a concern in good faith.
- 6.2. Staff are protected in law by the PIDA, which gives employees protection from detriment and dismissal where they have made a protected disclosure, providing the legal requirements of the Act are satisfied, e.g. the disclosure was in the public interest.
- 6.3. Any member of staff who victimises or harasses a member of staff as a result of their having raised a concern in accordance with this policy will be dealt with under the school's Disciplinary Policy and Procedure.

## 7. Non-employees

- 7.1. The PIDA and the Employment Rights Act 1996 do **not** protect non-employees as far as whistleblowing is concerned.
- 7.2. Irrespective of 7.1, the trust will not allow harassment, dismissal or exclusion for any non-employee who raises a genuine concern.
- 7.3. Where an individual feels that they have been unfairly treated following blowing the whistle, they should use the trust's Complaints Procedures.
- 7.4. Trustees are not employees and, while they are responsible for ensuring there is a whistleblowing procedure in place, they are not protected under the PIDA.

## 8. Good practice principles

- 8.1. The trust will implement the core whistleblowing principles, as outlined in the 'Freedom to Speak Up Review', to ensure that whistleblowing procedures are fair, clear and consistent.
- 8.2. The trust will implement a **culture of change** by ensuring the following principles are reflected in our ethos and values – there will be a culture:
- Of safety in the school.

- Where people feel confident with raising concerns.
  - Free from bullying.
  - Of visible leadership.
  - Of valuing staff.
  - Of reflective practice.
- 8.3. By providing a clear procedure for mediating and resolving cases, as outlined in [section 9](#), the school will ensure that all cases are efficiently handled. This procedure includes:
- How to raise and report concerns
  - How investigations will be conducted
  - How the school will mediate and resolve disputes
- 8.4. The school will implement **measures to support good practice** by ensuring we adhere to the following principles:
- Offering relevant training to staff
  - Providing the necessary support to staff
  - Providing support to staff who are seeking alternative employment
  - Being transparent
  - Being accountable
  - Conducting an external review of any concerns raised, where necessary
  - Undertaking regulatory action as required
- 8.5. We will ensure there are **particular support measures in place for vulnerable groups** by adhering to the following principles:
- Ensuring non-permanent staff have access to and training on the same principles as permanent staff
  - Ensuring trainees are subject to all the safeguarding and whistleblowing principles
  - Ensuring staff from ethnic minorities are supported, as they may feel particularly vulnerable when raising concerns
  - Ensuring staff are empowered and protected, enabling them to raise concerns freely

## 9. Procedure

- 9.1. When raising concerns, individuals will express them in writing to the headteacher.
- 9.2. If an individual is raising a concern about the headteacher, they should express their concerns in writing to the chair of trustees. Where this is the case, the chair of trustees will take on the headteacher's duties outlined in [section 10](#).
- 9.3. When individuals raise their concern, they will include the following information as far as possible:
- The background and history of the concern
  - Any relevant names, dates and places

- The reasons for the concern
- 9.4. The school encourages individuals to let their identity be known when they raise concerns, as anonymous concerns can be challenging to investigate.
  - 9.5. Individuals who would like to seek professional and confidential advice should contact Protect, a registered charity that advises on whistleblowing queries. Access the Protect website [here](#), or contact them on 020 31172520.
  - 9.6. Once an individual has raised a concern, the school will be responsible for investigating it.
  - 9.7. In certain instances, it may be appropriate for the individual to raise the concern with an outside agency, e.g. the police, depending on the severity of the concern. Equally, it may be appropriate for the individual to request that their trade union raises the matter.
  - 9.8. If a member of staff feels they should report a concern to the ESFA they should use the online contact form.
  - 9.9. The school, or the appropriate external agency, will acknowledge receipt of a disclosure but, unless additional information is required, will not contact or engage with dialogue with the whistleblower, as this may undermine the legitimacy of the investigation outcome.

## 10. Next steps

- 10.1. The headteacher will write to the individual within **10 working days** of the initial meeting to confirm that the concern has been received, as well as to indicate proposals for dealing with the matter.
- 10.2. The initial stage will be an interview with the whistleblower, and then an assessment of further action will be discussed. During this initial stage, the headteacher will establish if:
  - There are grounds for a concern and that it is genuine.
  - The concern was raised in accordance with this policy.
- 10.3. During the initial interview, the headteacher will request the individual puts their concern in writing, if they have not already done so. The headteacher will write a summary of the concern if the individual is unable to put it in writing.
- 10.4. The headteacher will explain the following to anybody raising a concern:
  - How they will communicate with the complainant throughout the process. It should be noted, the need for confidentiality may prevent the school giving the complainant specific details of any necessary investigation or any necessary disciplinary action taken as a result of the concern.
  - That the complainant's identity will be kept confidential from the alleged wrongdoer.
  - That the governing board will do everything in their power to protect the complainant from discrimination.

- That, if the concern genuine, even if the concern is not confirmed, no disciplinary action will be taken against the complainant.
  - If clear evidence is uncovered that the complainant's concern is malicious or unfounded, disciplinary action may be brought against them.
- 10.5. If an investigation is carried out, the whistleblower will be informed of the final outcome.
- 10.6. A record will be kept of the seriousness of the issues raised and the credibility of the concern. All records will be kept confidential.
- 10.7. It may be possible for the concern to be resolved simply by agreeing the necessary action or explaining procedures to the alleged wrongdoer; however, depending on the severity and nature of the concern, it may:
- Be investigated by management, an internal audit or through the disciplinary process.
  - Be referred to the police or an external auditor.
  - Form the subject of an independent inquiry.
- 10.8. If the investigating officer needs to talk to the whistleblower, they are permitted to be accompanied by a trade union representative, a professional association representative, a friend or a fellow member of staff not involved in the area of work that the concern relates to. This person will provide support only and will not be allowed to become involved in the proceedings.
- 10.9. A record will be made of the nature and outcome of the concern. The purpose of this is to ensure that a central record is kept, which can be cross-referenced with other complaints, to monitor any patterns of concern across the school and to assist in monitoring the procedure.
- 10.10. The whistleblower will be informed of the results of the investigation, and any action that is proposed will be subject to third party rights. Where action is not taken, the individual will be given an explanation.

## **11. What the school asks of you**

- 11.1. The purpose of this policy is to enable individuals to raise concerns in confidence, without any fear of reprisal; therefore, it is imperative that whistleblowers:
- Do not take the concern outside the school, e.g. gossiping.
  - Declare any personal interest in the matter, as the policy is designed to be used in the interest of the public and not for individual matters.

## **12. Appeal process**

- 12.1. If no action is to be taken, and/or the individual is not satisfied with the way the matter has been handled, they can make a complaint under the school's Complaints Procedure.

### **13. Unfair treatment**

- 13.1. An individual can take a case to an employment tribunal if they feel that they have been treated unfairly as a result of whistleblowing.
- 13.2. Further information can be sought from the [Citizen's Advice Bureau](#), the whistleblowing charity [Protect](#), or from an individual's trade union.
- 13.3. Any claims of unfair dismissal needs be made within three months of the investigation ending.

### **14. Monitoring and review**

- 14.1. The board of trustees will review this policy every two years, ensuring that all procedures are up-to-date – the next review date for this policy is spring term 2023.
- 14.2. Any changes made to this policy will be communicated to all members of staff.
