

Glebe School NEWSLETTER

Autumn Term #1 - 18/9/2026

TUES 22ND SEPTEMBER

NEW CHOICES EVENING Years 9 - 14

5.30 - 7pm

A chance for you and your young person to speak to multiple providers about colleges, career choices and the transitional routes available once they leave school. There will also be support agencies that can offer advice and guidance. If you will be attending, please complete the online form ([CLICK HERE](#)) or scan the QR.

FRI 25TH SEPTEMBER

MEET THE TEAM Coffee Morning

9am

We are delighted to invite you to our Meet the Team Coffee Morning!

Join us at school for a relaxed opportunity to meet our Senior Leadership Team and Pastoral Staff. If you are attending, please complete the online form ([CLICK HERE](#)) or scan the QR so that we can ensure we have plenty of refreshments for you. We are looking forward to seeing you there!

Dates for the academic year 2026-27 can be found on our website - [CLICK HERE](#)

**IMPORTANT
INFORMATION**

FRI 2ND OCTOBER - SPORTS DAY

CANCELLED

Unfortunately, we are unable to go ahead with our rescheduled Sports Day, as the stadium has not finished resurfacing the track. This is outside of our control and we are sorry for any inconvenience caused. Please note that Fri 2nd October will be a normal school day and students are expected in school as usual.

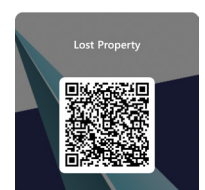

Labelling School Uniform & Lost Property

Please take a moment to ensure that you have **labelled all of your child's clothing and larger possessions such as bags, lunch boxes and water bottles.**

We amass a large amount of lost property every term as we cannot return items if we do not know to whom it belongs.

If your child does lose something, you can fill in our online form by scanning the QR code and School Council will help look for it.

NEWS HEADLINES

Lacrosse Funding

The PE Department is delighted to have secured funding to provide our Year 8 students with six weeks of lacrosse coaching, delivered by qualified lacrosse coaches. The funding has also enabled us to purchase our own lacrosse equipment and provide training for our PE staff, which will allow us to introduce and deliver lacrosse to additional year groups in the future. Watch this space!

YEAR 7

Congratulations to all Year 7 students for a very positive and successful start to secondary school. Students are starting to become independent in finding their way to lessons and lunchtime clubs, and should be proud of this achievement.

It has been encouraging to see them building positive relationships with staff and peers, settling into routines, and beginning to make the most of the opportunities available to them.

We are also very impressed by how they have embraced Glebe School values, supporting and encouraging each other both in and out of lessons. Their growing confidence and sense of belonging are a great foundation for the year ahead. Well done Year 7!

YEAR 8

Year 8 have made a very positive start to the term. Students have settled well and are continuing to develop their independence, confidence and sense of responsibility. They have established strong and consistent routines already and it has been lovely to see students demonstrating our school values in their everyday actions. Well done to all of Year 8 for their continued effort and positive contributions to our school community!

OUR VALUES IN ACTION

Georgie B - created a Minecraft-themed welcome activity and confidently delivered it to his class during Tutor Time

Reggie W - picked up litter from the field that was not his own and helped to carry and put away the picnic benches after lunchtime

YEAR 9

It has been wonderful to see Year 9 students back in school and making such a positive start to the new academic year. They have settled back into routines well and as a year group, they have already shown some lovely examples of maturity, kindness and resilience and we are looking forward to seeing these qualities continue to develop throughout the year.

We are also looking forward to seeing you at our New Choices Evening next week and sharing

more information about the exciting opportunities ahead for our students.

As always, we are here to help. If your child needs any support settling back into routines, please don't hesitate to contact Head of Year, Mrs Bel, or a member of the Year 9 team.

YEAR 10

We hope everyone had a wonderful summer and has enjoyed a positive start to the new term. Our Year 10 students have settled in brilliantly, embracing their new option subjects with enthusiasm and growing independence.

They have also shown kindness, maturity and leadership, particularly during PE lessons shared with our KS4 Provision students. It has been lovely to see as they begin this important stage of their school journey.

OUR VALUES IN ACTION

Tommy - confidently greeting staff and students with a handshake and friendly hello

Charley - praised by staff for the excellent support and encouragement he provided to other students

Antonietta - showing kindness and maturity by encouraging another student to use respectful and positive language

Don't forget our **New Choices Evening on Tues 22nd September**, where students and families can meet local colleges and begin exploring pathways for life after Year 11. This is a very useful evening and we hope to see many of you there.

You will see that students have been issued with new planners, please ensure these are looked after and brought to school each day. They are valuable for home school communication and contain lots of great resources and visuals.

YEAR 11

It has been a pleasure to welcome back Year 11 students for the new academic year. As they begin this important final year, we look forward to working alongside parents and carers to support them through their studies and preparations for their GCSEs. We hope everyone has had a restful break, and we look forward to a positive and productive year ahead.

A reminder that the **New Choices Evening is on Tuesday 22nd September**, where we will have representatives from colleges, as well as Glebe Sixth Form and other providers, available to speak with you as your child looks ahead to the next stage of their lives after Glebe. We look forward to seeing you there.

PROVISION

Provision have started this term with excitement and enthusiasm for the year ahead. In Sixth Form, all students took part in *Talk the Talk* workshops, focussing on their oracy skills of public speaking and self-advocacy. This is always an enjoyable workshop with one student reporting "I know how not to be shy anymore!".

In Lower Provision, Science students are learning about categorising different animals and enjoying the new sensory projector to help bring the concepts to life.
