MON 19TH OCT - FRI 30TH OCT

Term will start again on Mon 2nd November

**IMPORTANT
INFORMATION**

FOOD ALLERGIES

A reminder that we are an allergy-aware school.

Please **do not include nuts or nut products** in lunchboxes or snacks.

Please also do not send sweets, cakes or other treats into school to be shared with students. We will always find other ways to celebrate achievements and special occasions.

Thank you for helping us keep our school community safe.

• NOBODY'S PERFECT •

- It's okay if your child skips a word, misreads something, or doesn't fully understand straight away. Avoid
- correcting every mistake. The goal
- is enjoyment and confidence, not
- perfection. When reading feels safe
- and low-pressure, young people are
- more likely to stick with it.

NEWS HEADLINES

A massive congratulations to **Charlie B** in year 11, who ran his first 10k race on Saturday! He's been training hard with his dad and all that effort paid off - he ran it in 54.44 minutes, and had a great day. Well done Charlie!

YEAR 7

Congratulations to our recent year 7 Students of the Week: **Nicholas, Henry** and **Lily**!

Year 7 students have been learning about Shabbat and exploring how it is celebrated in Jewish families. They enjoyed reenacting a Shabbat table, identifying the different symbols and learning about why each one is important. Why not ask your child what they have learnt about Shabbat and which symbols they can remember?

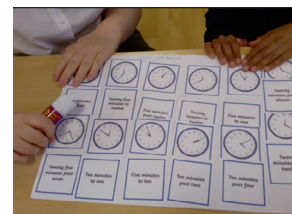

YEAR 8

This term Year 8 students have been developing their skills in reading an analogue clock. In Ms Graham's maths class, students have been working together to match different clocks with the correct times showing great teamwork and perseverance.

Students taking part in Outdoor Learning have been making fantastic progress too. They have been developing their collaboration, curiosity and resilience while engaging positively with new challenges.

As rehearsals for Peter Pan continue, students have been working hard attending rehearsal sessions and developing their confidence and performance skills.

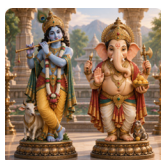

OUR VALUES IN ACTION

Lina L and Annie W - for their commitment, courage and enthusiasm during rehearsals.

Reggie W and James B - recently learned how to work safely with tools in their OL lessons.

YEAR 9

Year 9 have been learning about Hinduism and exploring the mandir, the Hindu place of worship. They have been learning about the different features and objects they may find inside a mandir and why these are important to Hindus. Students have also been learning about Ganesh and Krishna, exploring who they are and why they are important within Hinduism.

It has been lovely to see students engaging with the topic and developing their understanding of Hindu beliefs and practices.

OUR VALUES IN ACTION

Cameron - has made a fantastic start to the new school year. He has shown a positive attitude towards school and his learning and has made a great contribution to the year group. We are very proud of his achievements so far. Well done, Cameron!

YEAR 10

Congratulations to 10Z, who recently rose to the challenge of writing their first GCSE-style character analysis in English. Every student successfully used the Point, Evidence, Explanation structure to support their ideas, demonstrating impressive resilience and developing analytical skills.

During Tutor Time, students have been embracing performance poetry. It has been fantastic to see their confidence grow as they perform in front of their peers, develop their speaking and listening skills, and engage enthusiastically with a range of poems.

We look forward to another successful term filled with learning, growth and achievement. Thank you for your continued support,

OUR VALUES IN ACTION

Keithen - who has had a fantastic start to Year 10. Not only was he the winner of our 100% attendance raffle but he, along with others, also successfully interviewed for the role of Sports Ambassador in the PE department. This is a wonderful achievement and reflects the maturity, confidence and commitment he is demonstrating.

YEAR 11

The whole year group recently enjoyed their trip to Go Ape, postponed from last term. They showed great courage taking on the various obstructed high up in the trees.

Chemistry students also had the opportunity to visit Bough Beech Reservoir, putting their learning into context and gaining valuable practical experience.

A huge well done to our new Sports Ambassadors: **Ollie, Archie, Dylan, William, Mehkell, Kenzie U, Isaac, Summer** and **Ranveer**.

Finally, congratulations to our Students of the Week, **Isaac, Tadhg** and **Charlie**, who have all demonstrated excellent effort and commitment.

PROVISION

KS5 EL1 English have been working hard on their poetry 'The Shadows' exploring puppet shadows and writing a new poem. They have now moved onto 'The Tiny Crusader', learning new vocabulary and adjectives.
