IMPORTANT INFORMATION

ONLINE ACTIVITY

A reminder to all parents/carers, to please remain vigilant of your child's social media and online activity, particularly over the holiday period.

**Don't forget about our
Holiday Writing Activities &
Practical Maths Activities**
to keep you entertained
during the holidays! The
information has been sent
separately.

Please see a message from our PTA:

The PTA will be running their annual Wish Room again in December (date TBC). Students can purchase a gift for a loved one for a minimal cost (a few pounds at most) and the PTA will wrap and label them.

Any donations would be welcome - please bring these to school reception between Mon 2nd - 27th Nov.

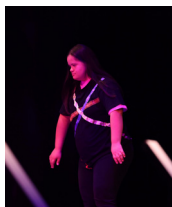

NEWS HEADLINES

Jack Petchey Awards Ceremony

We were delighted to celebrate our students at the Jack Petchey Awards Ceremony, held at the Churchill Theatre recently. The event recognises students who have received Jack Petchey Awards over the past year, celebrating their achievements and the positive contributions they make. The awards were presented by Mr Geoffrey Thompson, Deputy Lieutenant of Bromley.

A special congratulations to **Julia**, who also received a JP Award in recognition of her contribution to Magpie Dance. We were also treated to a fantastic dance performance by said Magpie Dance company, featuring our very own **Lucia**! Well done to all our students on their achievements!

YEAR 7

A huge congratulations on a successful first term in Year 7! Students have made a positive start to secondary school, demonstrating good engagement in their learning and taking advantage of the school's extracurricular opportunities. They are developing friendships and building positive relationships with peers, while responding well to the support and guidance provided by adults.

In recognition of our new Year 7 successes, we are going on a trip to Frylands Wood Scouts activity centre on the last day of term, to spend some time together outside of the classroom, make great memories and take part in outdoor activities.

OUR VALUES IN ACTION

Angel F, Lily and Henry, our recent Students of the Week.

Angel F and Layla R represented Year 7 in the recent DfE research interviews and did a fantastic job. We are incredibly proud of the maturity, confidence and positive engagement they demonstrated throughout the process. They represented themselves and the school brilliantly.

YEAR 8

Year 8 have been busy exploring the fascinating topic of sound in Science. Students made their own telephones using cups and string to investigate how sound travels through vibrations and waves. They have also been learning about how our ears work and completed a frequency test to discover which sounds they could hear.

In RE, students have been exploring the question, 'How do we know what is right or wrong?' Students have explored how different religions encourage people to behave, treat others fairly and make positive choices. They have also considered the similarities between religious teachings and their own values.

OUR VALUES IN ACTION

Markell and Hallie proudly took part in assembly to present our newly awarded Eco-Schools Green Flag Distinction. Markell also attends Gardening Club every day, while Hallie is an active member of the Student Council.

Stanley and Ishani, our latest Students of the Week!

Finally, we would like to wish all Year 8 students and their families a restful and enjoyable half-term break. We look forward to welcoming everyone back after the holiday!

YEAR 9

Year 9 students have been learning about the Amazon Rainforest, exploring its incredible biodiversity and climate. We have seen some great examples of curiosity in the classroom, with students recalling facts from previous lessons and putting their knowledge to the test in an engaging Plickers quiz.

Congratulations to our recent Students of the Week, Evie and Sonny. Evie consistently demonstrates positive behaviour throughout the school community. She is polite, respectful and considerate towards staff and fellow students, setting a wonderful example to others. Sonny has been recognised for demonstrating all of our Glebe values. It is fantastic to see these values reflected in his approach to school life. Well done, Sonny!

As we head into the half-term break, we would like to wish all our students and families a restful and enjoyable holiday.

YEAR 10

OUR VALUES IN ACTION

Congratulations to Year 10 students on passing their Arts Award! They have also been showcasing their creative masks inspired by the elements in assembly this week.

Bethany, Amira and Charlotte for taking part in a girls football competition on 14 October you were fantastic role models for the school and showed your incredible sporting spirit.

Bethany and Olivia, who headed to the Churchill Theatre recently to receive their Jack Petchey Awards. We are delighted to see their achievements recognised.

Remzi, Bethany, David and Maisie, who shared their poetry in assembly. Presenting their work to an audience was a wonderful opportunity to celebrate their creativity and their individual voices.

Finley, Freddie, Maisie, Keithen and Liam, who have received Student of the Week awards this half term.

Well done to everyone involved - you have given our school community so much to celebrate!

YEAR 11

As we reach the end of our first half term, we are pleased to celebrate some wonderful Year 11 achievements. Our Travel and Tourism students have worked particularly hard over their last four lessons, producing fantastic posters showcasing the variety of hospitality services in their local area. They have demonstrated compassion and collaboration by supporting one another to complete these and offering feedback on each other's performances.

A huge well done to Luke, Summer and Alisha, who received their Jack Petchey Awards at a ceremony at the Churchill Theatre. We are very proud of you all! Congratulations also to Charlie and Ranveer for winning Student of the Week.

Thank you to our families for your continued support. We wish all our students a restful and enjoyable October half term.

PROVISION

Lower Provision were very lucky to get a visit from Safari Pete and his animals this week. The students were given an up close experience after completing their Mammals, Reptiles and Amphibian topic in science this term. Talk about putting what you learn into practice! The huge lizard loved being at Glebe and even wore his visitors lanyard!

● TRY A SERIES ●

- Book series can be very motivating.
- Once your child is familiar with the book's characters and writing style,
- they often feel more confident starting
- the next book. This can reduce anxiety
- around choosing something new and
- help develop a regular reading habit.
