Summer Term #2 - 10/5/24

IMPORTANT DATES

Fri 24th May - End of Half Term 5

School will finish at the usual time of 3.15pm

IMPORTANT INFORMATION

ATTENDANCE

We would like to remind parents/carers that if your child is absent, you are required to contact the school office (*not form tutors*) **before 9am**, with a reason for the absence.

This must be done for **every day** your child is not at school.

If we do not hear from you and you cannot be contacted by 10am, the Family Liaison Officer and Child Protection & Inclusion Manager will attend the home address to carry out a welfare check.

Make Reading Active

 Play games that involve making connections between pictures and words, such as reading about an object and finding something similar in your home.

 Organise a treasure hunt related to what you're reading!

 Try creating your child's very own book by using photos from your day and adding captions.

NEWS HEADLINES

 Year 11 public examinations are now underway and we wish all our Year 11s good luck!

EXAM TIPS

Be positive

Ensure you get good sleep

Drink water to stay hydrated

Try deep breathing

Get some exercise (e.g. go for a walk)

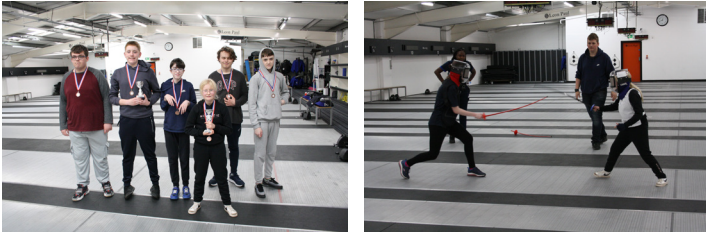

Take a break from revision and do things you enjoy

A reminder that any water bottles taken into an exam should be clear with no writing or labels on it.

➤ Our Fencing Team had a fantastic day at a regional competition. There was a sense of excitement in the air and some really close matches, especially between Tadgh and his opponent! Well done to Jake, Liam, Tadgh, Ava, Daniel and Max.

Ava won her group, and Daniel came runner up in his - congratulations!

YEAR 11

We start by wishing all the students good luck in their exams that commence this week.

To support the students during this time they will be attending weekly yoga and relaxation sessions to help with exam stress.

For exams that are being held in the morning, students need to be in the hall by 8:45am.

Therefore, for those days, students have been given an early access pass allowing them entry to the school from 8:30am and they are welcome to use the breakfast club facility.

Congratulations to Ava A, Harry A, Ray & Nehemiah who have all recently received Student of the Week award.

YEAR 7

Congratulations to our Year 7 football team for doing a fantastic job representing Glebe in the latest tournament. Ethan, Cameron, Jordan, Leland, Oscar, Charley, Jaiden and Kevin have shown great sportsmanship, teamwork and resilience. We are all very proud of them! Well done boys!

YEAR 10

Bromley Bikeability training took place this past week for those year 10s that signed up. An intensive course run by Bromley Council to ensure that if you're heading out and about on a bicycle, you know what you're doing (otherwise known as a cycling proficiency test)! Well done to Ali, Millie and Harvey, they all passed with flying colours!

Special mention to Daniel who came runner up in his fencing tournament. Daniel represented Glebe wonderfully, along with the other students who took part in the competition.

YEAR 8

Year 8 have finished their RSE unit in PSHE. They have been looking at changes that occur during puberty and the products available to assist with personal care and hygiene.

Some of these products are available *free* to all of our students, including toothpaste and sanitary products.

Students also have access to the school's hairdresser (whom we are very lucky to have!). Parental consent is required for this.

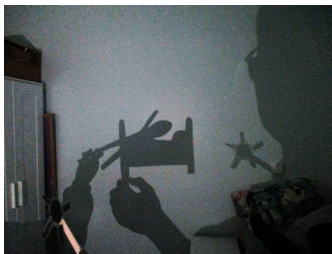

Hygiene products and hairdressing forms are available from Ms Golding (year 8 have been given forms to take home).

YEAR 9

This week year 9 have started their new Technology subject rotations - they are on their final subjects this term, having rotated through Design Technology, Food Technology, ICT and Textiles.

Well done to all those who have participated in the Dame Kelly Holmes project this year. They have now completed their last session and staff are immensely proud of their achievements (photo from a fencing session, but not related to the Fencing Club!).

Congratulations to Michael and Finn for winning Student of the Week!

In English, students have been looking at famous poems, from Rudyard Kipling, A. A. Milne to Lewis Carroll and using these to create their own Provision Poem anthology, which we are excited to be sharing with you soon.

In Miss Kembey's KS5 English, students are studying the poem *My Shadow* by Robert Louis Stevenson. As part of this project they put on a shadow puppet show and will write their own shadow poems.

Excitement is building for our end of year events, including our Leaver's celebration, which students have been raising money for with a cake sale. They made the cakes during lessons using their cooking and functional maths skills and then sold them at lunchtime to other students.
