Fri 17th JULY - End of Term

School will finish at the usual time of 3.15pm

IMPORTANT INFORMATION

➤ PARENT SURVEY RESULTS

A huge thank you to all parents and carers who took the time to complete our recent parental survey. Your feedback is invaluable and helps us to continue improving our provision for pupils and families.

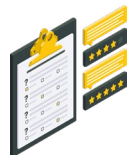

All completed surveys were entered into a prize draw, with the winner selected at random using a wheel of fortune. We are delighted to congratulate Mrs Johnson (Year 11) who has won a £25 Amazon voucher!

Thank you once again to everyone who participated and shared their views with us.

PARENT SURVEY

SUMMER 2026

FINISH POSITIVE

Try to stop reading while your child is still enjoying it, rather than pushing until they're tired or frustrated. Ending on a moment of success helps them associate reading with positive feelings and makes them more willing to pick the book up again next time.

NEWS HEADLINES

We are delighted to announce that we have maintained our School Games Mark Award GOLD for the 2025/26 academic year.

The School Games Mark is a Government-led award scheme that rewards schools for their commitment to the development of competition across their school and into the community. We are delighted to have been recognised for our success again this year. Our sporting achievements this year include:

- South London Special League Football Tournaments (Years 7-14) throughout the school year
- Cross country competition (against mainstream Bromley schools)
- Panathlon Bowling (placing 5th)
- Fencing competition - (placing 1st in two groups)
- West Kent Athletics - a team of 14 competing against mainstream Bromley schools
- Kent Schools Championships - two pupils (year 7 & 9) qualified, following West Kent Athletics
- London Youth Games Paragames Swimming - Bromley Boys GOLD, Bromley Girls GOLD
- London Youth Games Paragames Basketball - Bromley Boys SILVER, Bromley Girls SILVER
- London Youth Games Paragames Football - Bromley Boys placing in the quarter final, Girls Team showed fantastic effort
- London Youth Games Paragames Athletics - Bromley Girls BRONZE, Bromley Boys 5th

With a total of 146 young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

A special thanks to everyone in the PE department, staff who run extra-curricular clubs, TAs that support sporting events and the office staff who help communication between staff, pupils and parents run smoothly.

On the above note, our boys' and girls' football teams represented the school and Bromley brilliantly at the final LYG football tournament, demonstrating excellent teamwork, determination and sportsmanship throughout the day.

The boys progressed through the group stages to reach the quarter-finals before narrowly losing to a strong Haringey side. They showed great energy and teamwork throughout the tournament. The girls faced some very strong opposition but gave 100% effort in every match, remaining positive, resilient and supportive of one another. They showed great flexibility, playing in different positions, and demonstrated superb sportsmanship by stepping in to play for another school who were short of players.

A special mention goes to Kai for his outstanding goalkeeping, positive team spirit and kindness towards others, and to Leland for showcasing excellent skills throughout the day.

Overall, it was a fantastic day of football, and all of the students should be extremely proud of themselves. For a full list of competitors, check our website [CLICK HERE](#).

Students represented the school brilliantly at the recent LYG ParaGames Athletics. Despite the warm weather and long waits between events, they showed excellent resilience and sportsmanship throughout. A special mention goes to Niyaz, who missed his 100m race due to an administrative error but responded with great maturity, and then also acted as a guide for Leighton in both the 100m and 800m events. Another mention must go to Mia H who not only won gold in the 100m, but was the fastest female athlete there!

The girls finished 3rd overall, with some standout performances and several medal-winning performances across the team. Well done to all pupils for their effort, determination and contribution to a successful day. For a full list of competitors, check our website [CLICK HERE](#).

YEAR 7

With the summer numeracy fete fast approaching, Year 7 are learning about and developing their entrepreneurial skills in PSHE. Students used Willy Wonka with his Chocolate Factory as an example of a fantastic enterprise and started working on their own designs for chocolate with a magical flavour! Watch this space...

YEAR 8

Year 8 students have been busy preparing for the summer fete and are looking forward to showcasing their ideas. Working in teams, they have been planning and organising a variety of stalls, developing important skills such as communication, teamwork and problem solving along the way.

Some of the exciting ideas include a photo booth and a human fruit machine, alongside many other creative activities. Students have enjoyed taking ownership of their projects and thinking about how to make their stalls engaging and enjoyable for visitors.

Congratulations to our Student of the Week, Demi. Demi consistently demonstrates all of the Glebe values. She has made excellent progress over time, showing resilience and determination in her approach to learning. Her positive attitude and commitment have been recognised by staff across the year group.

We look forward to seeing many of you at the summer fete and celebrating the students' hard work and creativity.

YEAR 9

It has been wonderful to see how hard the students have been working this term, and they should be very proud of their efforts.

Some students recently attended the Football Beyond Borders trip to Bedgebury for an outdoor, team-building excursion, which was a fantastic experience and thoroughly enjoyed by all involved.

Please keep an eye out for an upcoming letter about the Year 9 camping trip to Frylands, which is taking place soon on Thurs 2nd - Fri 3rd July.

As always in the warm weather, please remind your child to stay safe in the sun by bringing water, wearing sunscreen, and staying hydrated.

YEAR 10

Our Year 10 students represented the school superbly yet again at the recent LYG Para Games Athletics. Mia was the standout performer, not only winning Gold in the 100m and helping the girls' relay team secure Bronze, but was recorded as the fastest female athlete at the event!

Summer and Deborah were also part of the bronze medal-winning relay team, with Deborah adding an individual Bronze medal in the 200m.

Stelian achieved Silver in the boys' Shot Put, while Caden and Ranveer made valuable contributions to the team's overall points tally in their events. A special mention goes to Niyaz, who showed outstanding maturity and sportsmanship when an organisational error meant he was unable to compete in his 100m race. Despite this disappointment, he remained positive and supportive of his teammates throughout the day and acted as a personal guide for another student in KS3.

As we begin preparing for Year 11, a small group of Year 10 students will soon have the opportunity to attend some additional maths sessions during Lesson 1 on selected Thursdays. These sessions will provide extra support, build confidence and help students strengthen key skills as they continue their studies next year.

YEAR 11

It was a pleasure to welcome so many of you all to our Record of Achievement Evening and Art Exhibition. The event was a wonderful opportunity to celebrate the hard work, achievements and talents of our students, and we hope everyone enjoyed the evening. Everyone coped with the intense heat remarkably well! Due to the heat, we did not show a planned photo montage of their time at Glebe, however this will be sent home soon, along with their graduation photo.

As this chapter of their lives comes to a close, we would like to wish our students every success as they move on to further education and new opportunities. They have been a fantastic year group, and it has been a privilege to support them throughout their journey.

Students also have one final opportunity to come together on 2nd July at the BR2 restaurant in Orpington (1-3pm). More information will be sent home very soon. We look forward to seeing you for a final celebration!

Mrs Vollar
Hear of Year 11

PROVISION

Key Stage 4 Horticulturalists have been inspired by nature to get creative in this beautiful weather, harvesting wild flowers to make art works framed in natural materials.

As part of their community enrichment project, Sixth Form students have been learning about and developing their confidence with train travel this term. After exploring routes, station facilities, destinations and platform information, they took a return train journey from West Wickham to Hayes, practicing safe travel and identifying where to find help and support onboard and at the station.

BTEC Art students went on a trip to the Tate Modern to explore the artwork of Roy Lichtenstein who they have been studying as part of their qualification. They explored work exhibited by a range of artists and particularly enjoyed the interactive art. Students had the opportunity to find out about careers in the art industry and identify job roles within the gallery.

In Life Skills, 6Y are working on the topic of Money In the Community - in groups they voted on their favourite meal and have researched a recipe with a £20 budget. Students then wrote an email ordering ingredients, consolidating their IT skills, and are preparing and cooking their meals over the course of the term. Recipes for chilli con carne, mac and cheese and spaghetti with meatballs will be shared as part of the end of the year celebrations.
