July 2020

Dear Parent/Carer,

Re: 'School Gateway' communication system

We are very excited to be introducing School Gateway to Glebe School – a parent engagement app that will improve the way in which the school communicates with you. The app will allow you to communicate with the school and over time to view your child's achievements and reports at anytime from anywhere and pay for school trips. This new system will be replacing the current School Ping app.

All school related communication, newsletters and reports will go through School Gateway from 3 September 2020 and we will keep you up to date as we introduce new functions, such as timetables, attendance figures, club bookings, dinners bookings and trip payments.

To stay up to date with what's going on at school make sure you download the app for free by September. Just search **School Gateway** in your App store and download:

Your login details will be automatically generated using the contact information Glebe School already has, so please make sure the details we hold for you are up to date. You can check and change these details by sending an email to admin@glebe.bromley.sch.uk.

If you have any questions or would like some more information, please see the School Gateway site here: <https://schoolgateway.co.uk/>.

You can also login to the online version of School Gateway via this site if you do not have a smart phone, although we do recommend using the app if possible, as it makes it far easier to contact parents when we need to.

Kind regards,

Ian Travis

Headteacher
