

HOME LEARNING

Subject: PE

Time: 30-40mins

Learning Objective: To identify facilities and equipment used for strength and conditioning

1. Can you find 5 examples of places near you where someone can take part in sport and exercise? Find the name, address, picture and what activities can be done there.

2. You have to stock a new gym for school. What equipment will you buy for people to use? Find 10 different pieces of equipment to put in the the new school gym.
