

## HOME LEARNING

**Subject: RE**

**Time to complete: 50 mins max**

**Learning Objective: To identify and give reasons why the festival of Easter is important to Christians and the wider community**

**Task:** Using books, the internet, or your own personal experiences, identify and give reasons why the festival of Easter is important to Christians and the wider community. You can produce your work in a word document or power point including any references you have used, for example BBC bitesize. You can do the work on paper and take a photo of it to send in or keep it and bring it into school when we are back. You can include pictures as well. The following websites are a starting point for you but please feel free to research around. <https://www.bbc.co.uk/bitesize/topics/ztkxpv4/articles/z4t6rj6> and <https://www.bbc.co.uk/bitesize/topics/ztkxpv4/articles/z77jf4j>

If you cannot access the internet or find anything in books at home, think about your personal experiences. Things to consider: Lent reminds Christians of Jesus' testing in the desert and to consider how fortunate they may be compared to others; Jesus dying for the sins of the world; forgiveness and eternal life in Heaven; links to spring and new life; coming out of winter and looking forward to summer; fresh starts. Anything you produce will count as evidence for your coursework folders.

**Have fun and good luck

**Save your work:**

**If you are using a computer, open a blank document to do your work (you can use Word or Publisher). Don't forget to SAVE it with your name, the lesson you are doing and the date.**

**For example: T.Smith Maths 8 April**

**If you would like us to see or mark your work please email it or send a photo of your completed work to the member of staff.**
