

Task2: comparing amounts

Once you have found all the possible amounts from task 1, put them in order from lowest to highest.

Challenge:

Using three of the items above, what is the largest amount of money you can make?

What is the smallest amount of money you can make using only 3 silver coins?

What is the difference between the two amounts of money you have made above?

Save your work:

If you are using a computer, open a blank document to do your work (you can use Word or Publisher). Don't forget to SAVE it with your name, the lesson you are doing and the date.

For example: T.Smith Maths 8 April
