

## HOME LEARNING

**Subject: Drama Year 7 Miss Challenger**

**Time: 50 minutes approx.**

**Learning Objective:** I can research different theatre spaces.

### Putting on a Show Lockdown Project

**Over the next lockdown you are going to create a Theatre show from start to finish!**

#### **Task 1: Researching Theatre Spaces**

Use the internet to find out about the different types of theatre space we have in England. You will need to choose a theatre space to put your show on in.

To help you, you could look at the following website:

<http://www.theatrust.org.uk/discover-theatres/theatre-faqs/171-what-spaces-make-up-a-theatre> (you will need to read the next page too)

You could also google the following stages:

- Proscenium arch
- Thrust Stage
- In the round
- Open air theatre
- Traverse stage

#### **Task 2: Choose your space**

On either word or PowerPoint copy and paste 5 different pictures of the stage space you have chosen for your show. You could also print them out or draw them on a piece of paper. Make sure you write the name of the space you have chosen too as your title.

#### **Task 3: Your Theatre building**

Now research what theatre's look like from the outside. Find five pictures of theatre's from the outside and add them to your work.

Choose your favourite building front by writing 'My choice' next to it.

#### **Task 4: Your Theatre design**

Now you have both your stage and your building front, you need to design what it will look like inside. Create a mood board below of pictures showing how you are going to decorate and furnish the inside of your theatre.

### **Task 5: Your Theatre name**

Now you have designed your theatre building from inside to out, you need to give your theatre a name. Write it as a heading for your work.

#### **Save your work:**

**If you are using a computer, open a blank document to do your work (you can use Word or Publisher). Don't forget to SAVE it with your name, the lesson you are doing and the date.**

**For example: T.Smith Maths 8 April**

If you would like us to see or mark your work please email it or send a photo of your completed work to [cchallenger@glebe.bromley.sch.uk](mailto:cchallenger@glebe.bromley.sch.uk)

Thank you
