Time to complete: 30-40min

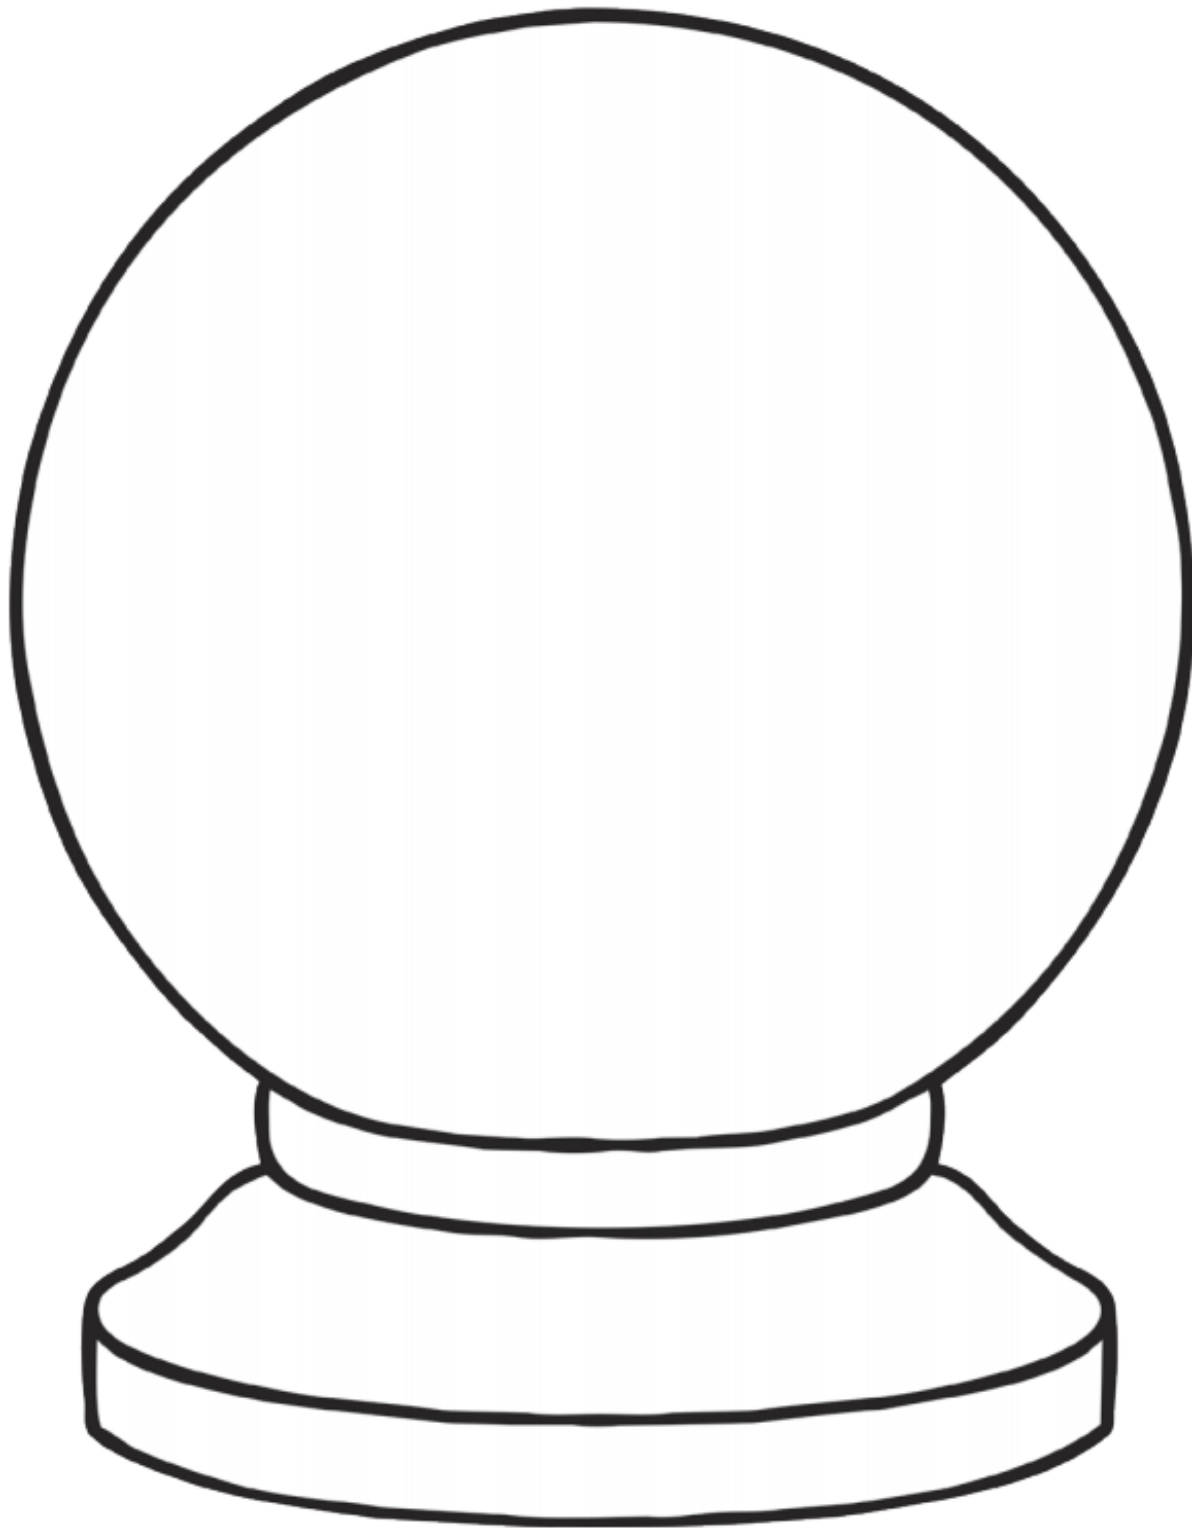

Learning Objective: Looking towards a new year and reflecting on the previous year.

Happy New Year to you all, I hope you are well and rested and have enjoyed your break. Remember to try and get outside if you can and fingers crossed for snow :0) (If it snows there will be a prize for the coolest picture of a snowman sent to me :0))

Working at your own pace for 30 min answer the following questions. Please use full sentences where you can. Hope to see you back really soon.

New Year's Resolution Crystal Ball

Think about what you would like to achieve this year. Write below what you would like to improve and how you will achieve this. Draw a picture of what you see in the crystal ball.

Save your work:

If you are using a computer, open a blank document to do your work (you can use Word or Publisher). Don't forget to SAVE it with your name, the lesson you are doing and the date.
