

Year 7 HOME LEARNING

Mr Duncan is teaching a live lesson each Monday at 11:00 till 11:30.

Please open your Teams App (this is the best way) OR log in here through your internet browser.

[Click here to log into Teams](#)

Subject: Finding coordinates and mixed number work

Time to complete: 50 minutes

Learning Objective: To find the coordinates of points in the first quadrant.

Mr Duncan

Lesson1

Your work is on the mathswatch site. It is called **Week8 lesson1 year7**

You need your username and password to get on the site.

Example

If my name was James Kirk my username would be **JKirk@glebe**

Notice that the first two letters are capitals.

The password is **glebe1**

Click on the following link to go to the site;

<https://vle.mathswatch.co.uk/vle/>

If you have any problem getting on the site (or anything else to do with your work) then contact me on the email address at the bottom of this sheet.

The mathswatch system keeps a record of your answers and I will be able to see your work there.

If you would like me to see or mark your working out please email it or send a photo of your work to:

Mr Duncan: Gduncan.305@glebe.bromley.sch.uk

Thank you
