Think about:

- The shape of your calligram. It could be a face, a stickman in certain pose or just the word itself.
- The different lines you will use - thick, thin, wavy, jagged, faint, long or short.
- The colours you will use.
- The size of your calligram.

**Save your work:**

If you are using a computer, open a blank document to do your work (you can use Word or Publisher). Don't forget to SAVE it with your name, the lesson you are doing and the date. For example: T.Smith Maths 8 April
