

HOME LEARNING

Subject: Maths

Time to complete: 1 hour

The answers to the questions are included at the bottom. We would like the students to self-mark their work. This is a very valuable learning tool as it gives pupils immediate feedback and encourages independence and ownership over their learning. Please send your work in when you have marked it, showing any corrections that you have made.

Task 1 Miss Kane

Learning Objective: I can make the same amount of money using coins and notes.

Click on the link to watch the following video:

<https://vimeo.com/471402395>

Using what you have learnt from the video, complete the following:

1 Match the amounts.

2 Rosie is making 70p in different ways.

a) Complete the part-whole models to show the coins Rosie can use.

b) Can you make 70p in any other ways?

3

I have £30
in notes.

a) What notes could Ron have?

b) What is the fewest number of notes Ron could have?

Which notes are they?

c) What is the greatest number of notes Ron could have?

Which notes are they?

4 Represent £4 and 51p in two different ways.

5 Dexter, Dora and Rosie each have some money.

a)

I have two 20p coins
and four 10p coins.

How much money does Dexter have?

b)

I have the same
amount of money as Dexter,
but only three coins.

Draw Dora's coins.

c)

I have the same
coins as Dora and I have
two notes.

How much money could Rosie have?

£ and p

Save your work:

If you are using a computer, open a blank document to do your work (you can use Word or Publisher). Don't forget to SAVE it with your name, the lesson you are doing and the date.

For example: T.Smith Maths 8 April

If you would like us to see or mark your work please email it or send a photo of your completed work to the member of staff.

skane@glebe.bromley.sch.uk

Thank you

Make the same amount

1 Match the amounts.

3

I have £30 in notes.

a) What notes could Ron have?

£20 £10

b) What is the fewest number of notes Ron could have?

Which notes are they?

£20 £10

c) What is the greatest number of notes Ron could have?

Which notes are they?

£5 × 6

4 Represent £4 and 51p in two different ways.

2

Rosie is making 70p in different ways.

a) Complete the part-whole models to show the coins Rosie can use.

b) Can you make 70p in any other ways?

5

Dexter, Dora and Rosie each have some money.

a)
