

## Year 8 HOME LEARNING

Mr Duncan is teaching a live lesson each Monday at 12:00 till 12:30.

Please open your Teams App (this is the best way) OR log in here through your internet browser.

[Click here to log into Teams](#)

Subject: Subtraction, division and multiplication.

Time to complete: 50 minutes

Learning Objective: Subtraction, division and multiplication without a calculator.

Mr Duncan

### Lesson 2

Your work is on the mathswatch site. It is called **Week7 lesson2 year8**

You need your username and password to get on the site.

### Example

If my name was James Kirk my username would be **JKirk@glebe**

**Notice that the first two letters are capitals.**

The password is **glebe1**

Click on the following link to go to the site;

<https://vle.mathswatch.co.uk/vle/>

If you have any problem getting on the site (or anything else to do with your work) then contact me on the email address at the bottom of this sheet.

**The mathswatch system keeps a record of your answers and I will be able to see your work there.**

If you would like me to see or mark your working out please email it or send a photo of your work to:

**Mr Duncan:** [Gduncan.305@glebe.bromley.sch.uk](mailto:Gduncan.305@glebe.bromley.sch.uk)

Thank you
